## **Cemetery Rules**

### **Burial Service/Interment Rules**

- Vault companies' trucks and trailers shall not remain at the burial site during grave side service. Alternate parking, at the cemetery building or Church lot is available.
- Representative from funeral home shall remain on site until casket is sealed in the vault.
- The hearse or other funeral home vehicle may be requested to remain onsite if casket needs to be moved after the graveside service.
- Cemetery and Township employees shall not carry caskets without prior approval from a Trustee or Cemetery Sexton. If handling of casket is approved, Cemetery and/or Township Employees shall exercise due care in handling of casket but shall assume no liability for the damage to any casket.
- An addition fee may be charged to funeral home if closing of grave is deemed to be delayed by a 'funeral home's contractor' for a longer than normal or excessive amount of time. This fee will be at the discretion of the Cemetery Board of Trustees.
